### Information:

53-11 is a not for profit Cycling Club affiliated to British Cycling (BC). This means that the club has some third party Insurance against Non members and invitee's who come on a few rides to see if they wish to join. We have third party cover for Club members on club activities. Club members are not covered when not on club activities so we suggest they get their own cover, one option is British Cycling: Ride Membership. Please fill in your British Cycling membership no' if you have one. 53-11 membership is separate to British Cycling membership.

As we are BC affiliated and have registered our summer kit (pink and black) 53-11 members can enter BC races once they have Gold or Silver Race membership. At this time we are not affiliated to CTT so you can't enter Time Trials as a 53-11 member.
